Why Events To Remember ?

A wise old man once said: "If we are to predict the future and await the destined pleasurable days, we will spend our life waiting and forget our good old times."

Our name "Events To Remember" brings together both of those worlds, the world of the present and that of the past to cast and shape the upcoming future.

As we engage in all event organization activities from Corporate Events, Conferences, Exhibitions, Seminars , Themed Parties, Brand Launches, Fashion Shows, Wedding Parties, Dance Shows to Parades; all backed up by years of experience along with numerous success stories all piling up in our portfolio and in the hearts of our audience, spectators and clients. Every sensational unforgettable achievement adds a star to our sky of accomplishments and another trophy of triumph to our clients, thus keeping in mind that success is engraved by the professionals in their everyday activities and encounters.

When this continuous success pattern becomes so recurring, it simply becomes a part of the daily routine to be more innovative and creative in every new project to gain it as habit and reward you and ourselves with our tagline "*Simply Professional*"

About US

E2R was formed in 2007 in Dubai, UAE, with the goal of organizing memorable events and help clients to effectively promote their communications. With over 6 years of collective working experience in the events, media, interiors, Audio/Video and advertising industries, we set to design and organize events for our clients that help them reach and expand way beyond their targets.

With flawless customer service standards, precise attention to detail and an incomparable work values, we climb the stairs higher to become your number one choice of an event organizer.

Our clients' reward has always been a hyper advancement among their competitors, and a shooting upgrade in the perception of their services and products among their customer base.

In House Production

As a fully integrated and independent event organizer, we back up our services with all the basic and extended assets and resources to buckle up and wrap up every single event from start to finish. Our warehouses encompass all Staging, trussing, sound and light systems, lasers, LCD projection, LED Screens, photography and video equipment. Nevertheless, the constant readiness to house new state-of-the-art equipment and materials required for a new upcoming event.

E2R TEAM

We believe that behind every successful event are the efforts and dedication of a highly trained, experienced and an efficient team member. Our teambuilding is an ongoing process that has been chiseled and refined all through our years of relentless persistence to perform with perfection.

Just like the units of Special Forces soldiers, well trained, well briefed and well organized, they deploy their equipment and engage in preparation, building, connecting, testing and executing with precision and accuracy. As a mere example our teams consist of the planning management staff, interior designers, electricians, A/V specialists, technicians, IT specialists along with a long trail of helpers and workers.
